Bees enjoy DULCOFRUCT!

The activity of the company had been growing with the brand DULCOFRUCT. The project was initiated at the beginning of the year 2009 it was specially conceived **to offer the beekeepers** a new opportunity to develop a new complete vision around bee feeding. Cirast adopted the three values that together opened up the path to success: **change, integrity and mutual prosperity.**

ENERGETIC SUPPLEMENT DULCOFRUCT

used for feeding the bees 6-13kg plastic pet

PRODUCT RECOMMENDED
FOR THE HOT SEASON

Bees enjoy DULCOFRUCT!

Indications: is recommended in feeding the bee families in the harvesting free period. To be used for stimulating the bee's families and to refill the food reserves (hot season).

This product DULCOFRUCT mark has been specially created to ensure the bees a stimulating feeding, without containing any kind of sugar.

Being a 100% inverted product it offers the bees a smooth digestion thus the bees keep their energy for the daily activities. Pilferage isn't created during the administration

The product is extracted from maize (NON-GM)

DULCOFRUCT - supplement- doesn't crystallize in time, eliminating the risks of solidification and can be kept/stored at any temperature away from the direct sunlight (max.50°C)

The results of the DULCOFRUCT are very good; the bees favor it because of its superior quality.

Advantages of using this product:

- inverted product 100% - doesn't wear of the bee
- no crystallization in time - eliminates the risk of food solidification
- ergonomic packaging - favors easy handling
- premium quality - doesn't create the phenomenon called "robbing" between bees

Our Company can assure a production of minimum 12 tones / day of Syrup Supplement
The shelf life of the product is 12 months from the date of production.

SUPPLEMENT USED IN BEE'S FEEDING WITH PLANTS

6-13kg plastic pet

This product has been specially created to ensure bee's feeding, but at the same time offering them the benefits of 10 plants infusion: thyme, chamomile, nettle, peppermint, yarrow, St. John's worth, calendula, lemon balm, basil, wormwood

Administration mode: to be given in a quantity of 300 grams/bee's family, every three days, to stimulate the clutch of the queen or in a quantity of 300-500 grams/family for refilling the food supplies.

The advantages of using this product:

- Inverted Product 100% - Doesn't Wear Of The Bee
- No Crystallization In Time - Eliminates The Risk Of Food Solidification
- Low Ph – Prevents Nosema Apis
- Contains Plants - Constitutes A Complete Feeding System Necessary For The Bees Activities

Our Company can assure a production of minimum 12 tones/day of Syrup Supplement. The shelf life of the product is 12 months from the date of production.

CAKE- SOLID ENERGETIC SUPPLEMENT

1kg/pcs - paked in 10pcs/box

PRODUCT RECOMMENDED FOR THE COLD SEASON

CAKE- SOLID ENERGETIC SUPPLEMENT

1kg/pcs - paked in 10pcs/box

This product DULCOFRUCT mark has been tested for the last two years before it was placed on the market. It was specially made to ensure bee feeding in the cold season.

DULCOFRUCT cake is a 100% inverted product that offers the bee the possibility of a smooth digestion, the bee maintaining its energy. The product is extracted from maize (NON GM) that has in its composition: fructose, glucose, other sugars, water and a dry substance of max. 84%.

DULCOFRUCT cake has a creamy consistency (can be easily cut with a knife) and can be easily digested by the bees, being solidified so it doesn't melt in the hive.

Advantages of using this product:

- inverted product 100% - doesn't wear of the bee
- low ph – prevents nosema apis
- ergonomic packaging – favors easy handling
- creamy consistency – easily assimilated by the bees

Our Company can assure a production of minimum 4 tones/day of Cake Solid Energetic Food

Bees enjoy DULCOFRUCT!

PRODUCT RECOMMENDED FOR THE COLD SEASON

CAKE - ENERGETIC SOLID SUPPLEMENT WITH PLANTS

1kg/pcs - paked in 10pcs/box

The products was created to ensure the bees feeding in the cold season, with the benefits of natural plants, that can be found in the composition of this product: thyme, chamomile, nettle, peppermint, yarrow, St. John's worth, calendula, lemon balm, basil, wormwood.

The advantages of using this product:

- creamy consistency - easily assimilated by the bees
- low pH - prevents nosema apis
- inverted product 100% - doesn't wear of the bee
- contains 10 plants - improves the immune system of the bees

Our Company can assure a production of minimum 4 tones/day of Cake Solid Energetic Food

PRODUCT RECOMMENDED FOR THE COLD SEASON

CAKE – PROTEIN – ENERGETIC WITH VITAMINS

0,5kg/pcs - paked in 20pcs/box

Developed as an excellent unique product that contains protein complex (yeast, defatted soy flour, soy lecithin, kombucha rosehip and sea buckthorn powder mix) and herbal extracts (calendula, anise basil, yarrow, fennel, thyme, pollen, sea buckthorn, mint, garlic, water, clay) that helps the bees after the cleansing flight, and contains all the elements necessary for their specific activity.

It is recommended to administer the product, for supplementing the protein reserves in the hive, feeding and ensuring a complete development of larvae.

Keep the bees working until new harvest period. Our Company can assure a production of minimum 4 tones / day of Cake Solid Energetic Food

Advantages:

- unique protein complex - ensures the bees feeding
- low ph - prevents nosema apis
- ergonomic packaging - favors easy handling
- natural treatment made from herbs used to treat and prevent nosema and varroa disease

Our company also produces the brand new bee usage natural treatment

Bees enjoy DULCOFRUCT!

ANTIVARNOSEM

ANTIVARNOSEM

herbal mixture for beekeeping usage specially produced
to treat NOSEMA and VARROA 500 ml - bottles

The product ANTIVARNOSEM is a alcoholic based herbal mixture for beekeeping usage, antiviral, antibacterial being an excellent help against poisoning state, designed to heal “Nosema Apis” and to treat the larvae against “Varroa Mite”.

By administering this product, it prevents the bacterial development of “Nosema Apis”, assures intestinal protection of the bee, helps stimulate the queen bees eggs through the active substances that can be found in plants (vitamins and microelements), guarantees the protection of the bees family every time a weakening of their activity is being noticed.

It stimulates the digestive enzyme secretion of the bees and larvae's and through the high essential oil content it strengthens the bee families.

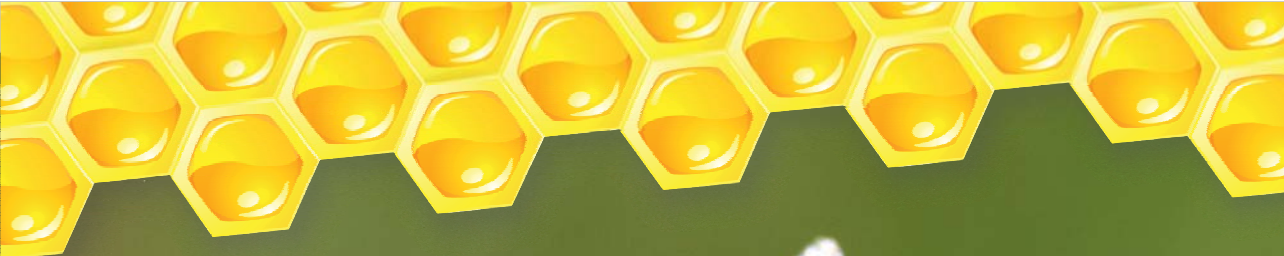

To be used in periods of active season without natural harvesting, early spring, autumn and to treat infectious and parasitic states.

Recommended dosage: in syrup :20ml/kg;
in solid food:40ml/kg.

Composition: alcoholic herbal mixture (fennel, lavender, peppermint, St. John's wort, chamomile, calendula, yarrow, basil, thyme, madwort, nettle), alcohol, heavy water.

Bees enjoy DULCOFRUCT!

ENERGO-PROTEIC MIX

SPECIALLY DESIGNED FOR BEES.

ENERGO-PROTEIC MIX 0,5kg

Specially designed for bees.

A complex elaborated product, which contains proteins and plants extracts that assures the bees, after their cleansing flights, all of the elements that are needed for their specific activity.

It's recommended to administer the product for supplementing the proteins reserves from the hive, it assures the complete development and feeding of the larvae.

Maintains the activity of the bees until the harvesting appears.

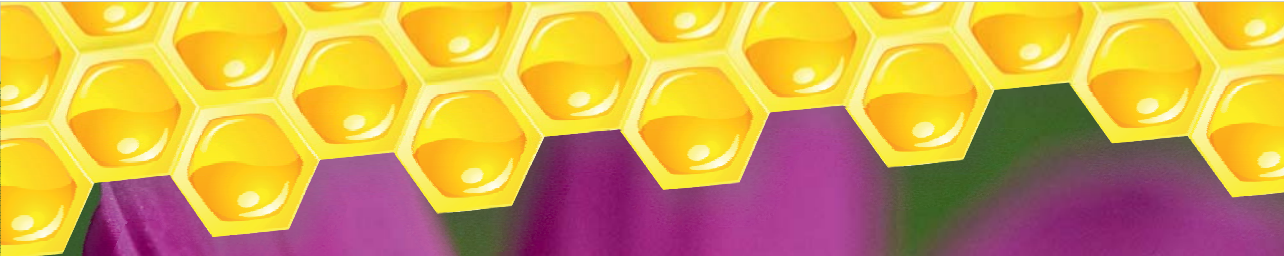

Administration mode:

20g energo-proteic mix..... 1 kg syrup
40g energo-proteic mix..... 1 kg paste

Contraindications: to avoid over dosage.

Bees enjoy DULCOFRUCT!

TOTAL-VIT

TOTAL-VIT

Total-Vit is a mixture of minerals and vitamins that comes in orange powder state.

By administering the Total-Vit product, assures a better developing of the bee families nervous system, it's an excellent stimulator for the queen bee egg ratio, provides complete regeneration of the bees families when intake of the vitamins is low, it is recommended as a supplement in stages of high intoxication or digestive diseases.

Recommended dosage:

1 gr Total-Vit..... 1 kg Dulcofruct syrup;

1 gr Total-Vit..... 1 kg Dulcofruct paste ;

TOTAL-vit
